

Global Funds Registration

Maximising your distribution opportunities across 74+ jurisdictions

Asset managers operate in a global world where distribution opportunities surface in multiple jurisdictions. The reality of managing diverse local requirements and legal frameworks can however be daunting without specialist knowledge.

Our Global Funds Registration service offers you specialist consultancy and project management to relieve you of this burden by delivering a tailored cross-border fund registration solution. Whether you are in the initial stages of the cross border distribution of your fund or you already have an extensive distribution footprint, or you are a Man Co offering a registration solution. We have the skill, expertise and comprehensive technology infrastructure to

help. We arrange and maintain the registration of your fund in your chosen markets on your behalf, eliminating the administrative burden and reducing pressure on your internal resources.

Please enquire about our supplementary Facilities Service, in accordance with the EU's Cross Border Distribution Framework.

Why FE fundinfo

We sit in the center of the investment product lifecycle to deliver data-led solutions for industry.

w fefundinfo.com

Track every stage of your fund's registration in real time, without leaving Nexus.

Facilitated by technology, security and expertise

In addition to accessing specialist experience and expertise, you can also obtain a full view of your fund's registration matrix via your Nexus platform.

The GFR module offers transparency, oversight, and facilitates instant communication with your dedicated registrations manager.

All underlying data is sourced from FE fundinfo's golden source database, supported by our strict validation controls.

THE BENEFITS

Speed-to-market

Entering your desired markets quickly can have a significant impact on the success of your business. Ensure a strong start by entrusting the task to industry experts.

Cost efficiency

Outsourcing all aspects of cross-border fund registration and distribution to a single provider, not only saves costs but also improves efficiency. Make the strategic decision and eliminate the need for multiple margins and ensure a streamlined process.

Specialist advice

Your dedicated Registration Manager with an average of 15 years' experience is available to provide support and advice, and facilitate the initial and ongoing registration of your fund.

Core competencies & scale

Outsourcing to the experts enables you to expand into new markets without starting from scratch. Focus on your core business activities while we absorb the operational complexity of cross-border compliance.

Digitalisation & automation

Eliminate the hassle of outdated systems and risk of errors. Enjoy the benefits of our tech-led solution including digitised registration requests, comprehensive reporting and 24/7 access to your registration matrix via the Nexus platform.

Training and development

Continuously learn from the experts and keep abreast of regulatory and industry changes impacting your fund distribution with access to regular seminars, workshops and roundtables hosted by FE fundinfo.
